Student and Family Affordability Fund

The provincial government recently announced a **renewal** of one time funds for the Student and Family Affordability Fund. This fund is designed to assist families who require financial assistance with school-related costs in the following areas:

- school and course fees
- school supplies and course materials
- field trips
- school-related extracurricular opportunities
- clothing and footwear required for sports and school activities

If you currently receive support from the school, your family's support will remain as usual. If you are in need of financial assistance, please reach out to Ms. Wallace by email at kwallace@sd38.bc.ca. As always, every request will be treated with dignity and your privacy will be respected. We want to work with our families to ensure that our students, your children, have everything they need to be successful at school. Please do not hesitate to reach out if we can help.
