December 2020

Dear Parents and Guardians,

We would like to wish all of the Dixon community the very best for the winter break. We hope you all find time to enjoy your immediate family and virtually with friends.

It certainly has been a year like no other. We have really appreciated the hard work and dedication of our Dixon staff throughout this school year. For both students at home, working on transitional learning and for students in school, our staff has really worked with a purpose to provide both academic and social/emotional supports for all students.

We would like to also take this opportunity to say "thank you" for all the care, kindness and support our Dixon families give to their children and for your understanding regarding the changes implemented this year to make learning in school safer for all.

Mrs. Wong and myself are often amazed by the dedication, skill and care that the Dixon staff demonstrate daily. We are all truly lucky to be a part of such a wonderful and caring learning environment! - Enjoy your holidays! Stay Safe.

Friday, December 18th is the last day of school before our winter break!

We'll see you on Monday, January 4th, 2021!

LATES

We currently have about 10 kids arriving late each school day. With our current protocols, this is problematic as the locked front entrance provides the only way into the school. **Please try to ensure your child has arrived at school by 8:40 am.** Thanks for your support.

Dixon Student Council presents.... **Holiday Coin Drive at Dixon**

We are encouraging the Dixon School Community to work together to raise money to support families in need in our community and to make their holiday season merrier.
