

Halloween Happenings at Dixon!

HALLOWEEN

Saturday is Halloween! If students wish to wear their costumes to school on Friday, they are more than welcome to do so, but we ask that you please remember these guidelines:

- please do not bring costumes that include toy weapons to school. If these are a part of your child's costume, we ask that you leave these at home and save them for evening Trick or Treating or home celebrations.

- visibility: please ensure that you child is able to see easily even while wearing his/her costume

- costumes should not interfere with your child's learning that day: even though it is Halloween, students will still be busy learning and doing their daily activities. So this means that their costumes should not impede their learning (i.e. costumes should let them move around freely) or their outside play time at recess and lunch.

- please leave the make-up and hairsprays at home! If your child is wearing make-up or doing some spraying of his/her hair as part of his/her costume, we ask that you please do this at home.

- please note that wearing a costume/dressing up for Halloween is entirely optional, as we know some children don't dress up for Halloween, and some students have costumes that they may not want to wear at school. If your child does not have a costume, please do not feel that you need to go and find or purchase one. Not all students dress up for Halloween!

Dixon Student Council "Spooktacular" Halloween

The Dixon Student Council is excited to present a Halloween Spirit Day on Friday, October 30th. Student Council will be handing out prizes for costumes (best homemade and funniest) costume finalists will be shared via Zoom into classrooms in the afternoon. Wear your costume or dress up in black and orange! Also in our afternoon Zoom, classes can sing along with that all time favourite C'est L'Halloween lead by our talented kindergartens. Students in class will also get to test their Halloween trivia in a school wide game of Kahoot.

Student Council is also hosting a "Spooky Dance Party" in each classroom by providing each teacher with a step by step scary Halloween dance to teach. It comes with live video of our student council showing off their dance moves!

Spooky Classroom Doors

Classes have been busy decorating their doors in a Halloween theme. We look forward to seeing (via Zoom) all the Spooky doors!

Primary Costume Parade!

Weather permitting, we hope that our primary classrooms will be able to have a costume parade around the school. With our current situation, primary class will have an opportunity to parade on the outside of the school and students can cheer on the costumes from inside their classrooms.

Big Thank You to our Student Council and Mr. Ray, Ms. Norman and Mr. Martyniuk for help in organizing such a fun day!
