

**Dixon eNews - September 7, 2016**[Webpage](#) [Twitter](#)

Hello parents,

I'm writing to let you know that the 2016/17 class organization that we have been working with since June has been approved by the School District this evening. To that end, class lists for the 2016/17 school year will be posted outside on rolling bulletin boards tomorrow (Thursday September 8<sup>th</sup>) at 8:30am.

Upon arrival at school tomorrow, children are to find their name on the class list, and make their way to their new class.

To assist younger students with what to do and where to go, there will be a school map on the bulletin board, as well as adults and student helpers on hand to assist.

Another eNewsletter with additional details for the upcoming school year will be coming out on Friday.

Have a great start!

Bill Juhasz

Below is our staff list, and how our classes are organized this year.
