The Dixon Spiritwear online store is open NOW until February 7th. [CLICK HERE to shop!](#) It's important to know that orders are not exchangeable and are non-refundable as they are custom made-to-order. Happy shopping!

Beginning on February 3, we will be having students eat their recess snacks outside.

This enables us to use teaching time more efficiently. We know that some of our students have lovely packed snack kits that they access at recess. We are going to suggest that parents either look at packing something different (handheld options like a piece of fruit, granola bar, etc.) and/or label your child's containers so that if they get set down outside, they can be returned.

The Silent Zone happens on Thursdays during outside time at the library. Students may visit the library to read or draw instead of play outside.

Joke Corner

Why don't fish play basketball?

...Because they're afraid of the net!

With the possibility of snow in the upcoming weather forecast, we ask that families review the **District's [Information on Emergencies & Inclement Weather](#)**.

The district will try to determine school closures due to inclement weather by 6:30 am. Updates will be delivered using social media and school and district websites. **No radio or television announcement will be made saying that schools are open. Only school closures will be announced by the media.** To reach as many people as possible — as quickly as possible — we work closely with our local media to share information. Listen to local radio stations and follow local news outlets online to also get information about the impact of severe weather or emergencies in our schools.

If snowfall begins while school is in session, in most circumstances, schools will remain OPEN until the end of the school day.
