

DRAGON CARE FUNDRAISER

Dixon PAC has partnered with a local company to offer our families **exclusive** pricing on some fantastic products that are absolutely essential right now. A part of our Richmond community, Herbal Glo uses only the highest quality **natural and organic** ingredients to create products that are **100% vegan, not tested on animals** and **environmentally friendly**, free of harmful chemicals such as phthalates, formaldehyde, parabens and artificial coloring.

With hand sanitizers being recalled weekly, put your mind at ease with Herbal Glo's **Ultra Clean Hand Sanitizer**. Not only **approved by Health Canada**, it contains the exact formula recommended by the World Health Organization - **80% alcohol** provides maximum protection while **aloe, vitamin E, tea tree oil** and **witch hazel** make it **awesome smelling** and **gentle on the hands**. Available in spray and gel form and multiple sizes, pick some up for your home, office, car, purse, backpack and business!

Complementing (in our humble opinion), the best sanitizer out there is Herbal Glo's **Ultra Clean Hand Foaming Soap** and their **Vitamin C HYDRATE Hand Cream** – not only very effective but fantastic smelling, you'll fall in love with the entire line. Treat yourself, stock up or gift to family and friends – we know you'll love Herbal Glo as much as we do!

Share our fundraiser with family & friends, these prices are EXCLUSIVE to us!
Thank you for supporting our school AND a local business
