Please email dixoncraftfair@gmail.com if you can help!

Parking at Dixon

Please park in the blue areas and walk your child to their outside meeting spot. We have limited parent parking in the Gormond back parking lot and no parking at all at the front entrance of the school off Diamond. Seismic Upgrading will take away parking spots. Some staff will park in the Gormond Lot. This lot is very congested. We suggest parking along one of the side streets and walking into the school grounds.

Please walk in!

PAC Food Days Sept 2022 – January 2023

Welcome to our new and returning Dixon families!

Starting in September, we are offering hot lunches and snack days. All lunches and snacks will be ordered online through MunchaLunch. This term we will be offering pizzas by the slice rather than individually packaged pizzas.

To encourage sustainability and liter-free lunches, we once again ask students to bring their own cutlery on hot lunch days, as well as plates for pizza days. These items will **not** be supplied.

MunchaLunch

For the September to January school period, MunchaLunch ordering will be **OPEN** as of **Wednesday, September 7, 2022**. We encourage parents to place orders for all available food days in one session to avoid missed days and disappointment. Orders may be paid by credit card or PayPal account. Orders will close **7 days** (1 week) in advance of the respective date. All orders that have not been paid for by then will be cancelled/removed from the system.

How to Login/Register for online ordering:

Go to <https://munchalunch.com/schools/Dixon/> or click on the MunchaLunch icon on the Dixon school website (<https://dixon.sd38.bc.ca/>).

NEW users

- Click the "Register Here" button. The system will guide you through.
- After adding your children, click the yellow "Order Lunch!" button to start placing your order.

RETURNING users

- Click the "Login Here" button to access your account.
- You will get this message: "Before ordering, please update your child's grade & classroom for 2022-23". Select "All Grades/All Classes" for now. If your child has been assigned a classroom already, please update with their classroom. This can also be done in the "My Family" → "My Children" section of the system.
