Don't forget! Click here to pay your child's school supply and agenda fees!

Don't forget to bring your signed consent letter for the Fun Run that's happening at Garry Point on October 17th.

You can hand them in at Tuesday's running club after school.

What if my child is sick and can't attend school?

It's important to ensure ANY person entering the school completes a daily health check. A daily health check means checking yourself or your child for new symptoms of illness. If you or your child do not pass this daily check, please stay home until you're feeling better. Please call the school's early warning line to inform us if your child will be absent.

We request that students who have been sick may return to school after they've been symptom free for at least 24 hours.

If a teacher or staff observes a student with new or worsening symptoms of illness, we may call home for the student to be picked up early.

Come out to PAC sponsored coffee and conversation social on Wednesday, Oct 11th to chat with our principals and meet other parents. Coffee and light refreshments served.
