Cold and flu season is in full swing! **We've noticed that a lot of students have been coming to school sick.**

It's important to ensure that any person entering the school completes a daily health check. A daily health check means **checking yourself or your child for new symptoms of illness**. Symptoms include: fever, stuffy or runny nose, cough, vomiting or diarrhea. If you or your child do not pass this daily check, please stay home until you're feeling better. Please call the school's early warning line to inform us if your child will be absent.

We request that students who have been sick may return to school after they've been symptom free for at least 24 hours.

If a teacher or staff observes a student with new or worsening symptoms of illness, we may call home for the student to be picked up early.

Thank you for doing your part in keeping our community safe and healthy!

We hope to see you at the Dixon Craft Fair on Wednesday @ 5pm. Get started on your holiday shopping, enter the silent auction, and check out the ever popular cake walk!

Richmond School District 38 is excited to welcome Kindergarten registration applications for children born in 2019, turning 5 in 2024. These children will begin Kindergarten in September 2024. Online registration opens on November 1, 2023. Please visit our website www.sd38.bc.ca/kindergarten for more information about our online registration process, required documents, important dates, and FAQs.

We encourage families to complete their registration within the Priority 1 registration window, which spans from November to January, in order to maximize their chances of securing a spot at their catchment school. All registration applications received any time during the Priority 1 registration period will receive placement decisions by February 2, 2024.

Videos detailing Kindergarten registration have been made available on our District website, providing new parents with guidance on the registration process, English Language Learner (ELL) assessments, and District Program Options (Early French Immersion and Montessori). These videos are available in English and Mandarin. Please view the videos at www.sd38.bc.ca/kindergarten.

Finally, there will be a Kindergarten Information Evening for parents of students with disabilities and diverse abilities on Zoom held on November 8th from 6:30 - 7:30pm. A link to the Zoom is available on our District website www.sd38.bc.ca/kindergarten.
