Reconciliation, Equity, Diversity and Inclusion with Richmond School District

A webinar series on Zoom for parents and caregivers to understand and support SD38 initiatives around inclusion and belonging.

This initial 60-minute session is designed to help you understand the district's commitment to reconciliation, equity, diversity and inclusion, and the values and language that inform our practices in schools. The facilitator, Destine Lord, will draw on the district's strategic plan to drive the conversation and make connections between the plan, the district's vision, and introductory concepts of anti-oppression. By building the language, you can help support your learner as they move between home and school and back again. There will be opportunities with future sessions to further explore REDI concepts.

Destine Lord (she/her) is a consultant and facilitator actively working towards the elimination of racism in Canada. For the last 15 years, she has worked in both the private and public sectors, facilitating workshops and training sessions related to anti-racism,

change management, and reconciliation. As a Black Canadian, Destine can draw on her lived experiences to inform conversations about racism. She is excited to be supporting the Richmond School District and our work to build equity and inclusion and a sense belonging for all students and staff.
