

SUMMER LEARNING 2024

PROGRAM CATALOGUE

When

July 3 to August 2, 2024

Exact dates vary for various programs.

Where

Boyd Secondary
Burnett Secondary
MacNeill Secondary
McNair Secondary
Steveston-London Secondary
Cook Elementary
Homma Elementary

For Whom

School-aged students currently
enrolled in a BC K-12 school

When to Register

Exact dates vary for various programs.

Elementary Programs & Camps
begins on April 22 (7 pm)
ends June 7

Secondary Programs & Camps
begins on April 29 (7 pm)
ends June 7

Secondary Completion &
Skill Building Program
begins June 10 (7 pm)
ends June 28

Our staff has been busy planning and preparing a variety of engaging and enrichment programs for school-age children currently enrolled in a school in BC.

Ranging from engaging non-credit enrichment courses to secondary full credit courses, as well as fee-based summer camps, Summer Learning 2024 will offer a variety of fun and interesting courses to meet students needs.

We hope you will find something that is of interest to your child. We look forward to having your child/ren join us this summer!

What can my child register for?

ELEMENTARY STUDENTS (Gr K-7) who meet funding criteria >

Choose one (1) Ministry funded course from the following programs:

Summer Enrichment
Summer Exploration
Summer Fine Arts
Summer Innovation

and/or

One (1) or two (2) Summer Camps

NOTE: Grade 7 students may choose to register for up to three (3) secondary enrichment courses.

SECONDARY STUDENTS (Gr 8-12) who meet funding criteria >

Choose up to THREE (3) Ministry funded courses from the following programs:

Summer Enrichment
Summer Full Credit
Summer Completion
Summer Skill Building

and/or

Summer Camps

WHO CAN REGISTER

Kindergarten to Grade 12 students who:

- are currently attending a school in British Columbia;
- have not graduated and are under 19 years old on June 30, 2024;
- are a Canadian citizen, permanent resident or convention refugee/refugee claimant;
- along with their parent/guardian(s), are ordinarily resident in British Columbia;
- whose parent has been lawfully admitted to Canada for temporary residence, and is authorized to work for a period of one year or more, and is/will be employed for at least 20 hours per week;
- whose parent is authorized to study for a period of one year or more and holds a valid study permit.

Students who meet the above criteria are eligible for Ministry-funded courses in British Columbia.

International students who hold a valid study permit and reside in BC (but whose parents do not normally reside in BC) ***may attend Summer Learning for a fee.***

begins Mon, June 10

* * * * *

Registration closes
Fri, June 7

Note: For Academic Completion and
Skill Building programs,
registration closes on Fri June 28

Due to high volume of registrants
accessing the summer registration
website on the first day of registration,
there may be potential system delays.
We thank you in advance for your
patience.

REGISTRATION HOW-TO

STEP 1

Create a customer account on www.richmondce.ca, using your child's legal name. [QuickLinks - Register Online]
If an account was previously set up, check to make sure log in information is current. To reset log in name/passwords, please contact rce@sd38.bc.ca.

STEP 2

Review course offerings and note registration start dates and times for each of the summer programs.

STEP 3

Make sure you have your child's Personal Education Number (PEN) ready when registration opens. PEN can be found on your child's report card, the MyEdBC parent portal or from your child's school.

NOTE: Steps 1-3 can be completed prior to registration date/time.

STEP 4

Be prepared to answer some custom questions, e.g. name of your child's current school, any allergies or health conditions to note, any special learning support required.

Non-Richmond School District students (private and public schools) are asked to email TWO (2) of the following documents to rce@sd38.bc.ca: parent's birth certificate, permanent resident card, Canadian passport, or valid BC work permit; AND parent's BC Driver Licence, BC Services Card, utility bill.

STEP 5

If a course is full, be sure to add your child's name to the waitlist by clicking on the course name - "Add to Wait List". You will be contacted as soon as space becomes available.

STEP 6

A transaction receipt will be emailed to you/your child, indicating whether your child is "Enrolled" or "Pending Enrolment/Waiting List".

www.richmondce.ca

WHAT IF ...

My child goes to Garden City School which is on an alternate calendar - can they attend Summer Learning?

> Yes - however they will miss about half of Summer Learning. Please note that if registering for summer camps, full camp fees apply.

I am a Gr 12 student who will be 19 after July 1. I will graduate in June but I need more courses to apply for university. Can I take them during Summer Learning?

> No - only non-graduate, school age students (under 19 on June 30, 2024) are eligible for Summer Learning.

My child will be absent on the first day of Summer Learning?

> Email rce@sd38.bc.ca - include child's name and the course he/she will be absent from. Absences after the start of Summer Learning can be communicated to the teacher or summer school office.

My child has allergies or health concerns?

> Please indicate any allergies or health concerns at the time of registration (under Custom Questions) and notify the teacher on the first day of Summer Learning.

OTHER RELEVANT INFORMATION

◆ Learning Support

If your child has an Individual Education Plan (IEP) and/or a Vancouver Coastal Health Care Plan and is currently receiving additional learning support from an Education Assistant at school, ***we encourage you to register online before Friday May 10*** to ensure adequate support is available.

IEP - Students who attend a *non-Richmond School District school (public or private)* are asked to e-mail a copy of their IEP to rce@sd38.bc.ca

First priority for students requiring additional learning support will be given to Richmond School District students.

◆ Attendance

Summer Learning courses are held in person and students are expected to attend each course from start to finish. Absences of more than three (3) classes are not permitted.

Note: Students must be picked up on time at the end of each class.

◆ Withdrawals & Refunds

Any request to withdraw BEFORE the start of course must be submitted by email to rce@sd38.bc.ca (be sure to include the student's full name and the course name).

>> Fee-paying students who withdraw before the second class may receive a refund, less a 15% processing fee. No refunds will be issued after the start of the second class.

Refunds will be issued in the same format as the original payment. Please allow 3 weeks for processing.

Course fees will be refunded in full if a class is cancelled due to insufficient enrolment.

◆ Course Locations & Cancellations

Course offerings are subject to sufficient enrolment. Start and end times and locations are subject to change.

ELEMENTARY ENRICHMENT COURSES

Concert Band for Beginner (Gr 4-7) / Intermediate (Gr 5-7)

This concert band music course is for students who either have not played a band instrument before or are switching to a new instrument (beginner), or have played an instrument for at least one year (intermediate). Concert band instruments are: flute, oboe, clarinet, bass clarinet, saxophones, bassoon, trumpet, French horn, trombone, tuba, bass guitar and percussion (drums and bells). Students are expected to provide their own band instrument or rent it through a local music store e.g. Tom Lee Music, Long & McQuade.

Language Arts for ELL - Levels 1-2

Designed for students who are English Language Learners (ELL) and wish to build, maintain or improve their English skills, students will participate in a variety of dynamic and interactive activities, including listening, speaking and reading.

English Reading/Writing

Students will begin by exploring different elements in a story, work on reading and oral language skills using appropriate reading, listening and viewing strategies, and develop their writing processes. They will learn the value of documenting their creativity and ideas, and explore how reading and writing can be a source of creativity and joy through a variety of short stories, looking at how texts can be understood from different perspectives. Students will discover different and creative ways of expressing themselves and to develop skills in using literary devices and techniques. Intermediate students will focus on creative writing by creating their own short stories, memoirs, and daily journal. These students will also learn ways to respond to examples of creative writing, and brainstorm creative writing ideas and experiences. Skill development will be enhanced through writing, editing and publishing a short story.

French Fun for Beginners

Students will explore the French language vocabulary as well as celebrate traditions of the French culture. Some of the topics and themes explored include self-introduction, foods, family, sports, clothing and things done at home, French verbs, etc. *This course is not for current French immersion students but may be beneficial to those going into Late French Immersion in September.*

French Immersion (for FI learners only)

Students will practise and enrich their knowledge of the French language and culture through games and activities. *(This course is for students who have completed at least one year of the French Immersion Program.)*

ELEMENTARY ENRICHMENT COURSES

(continued)

Math/Science Projects

Students will explore different concepts in the Math and Science curriculum. An emphasis will be placed on problem solving, critical and creative thinking, and exploring some of the big Math ideas (such as shapes, pattern, spatial awareness, numeracy, order of operations, data analysis and geometry). As well, students will explore a variety of scientific skills and processes and participate in various STEM projects (Science, Technology, Engineering and Mathematics).

Outdoor Education

REVISED Course! Students will engage in a variety of outdoor experiential learning opportunities to connect and play with their natural environment through various activities. Students will engage in outdoor games, orienteering, outdoor painting and photography, maker activities using natural materials and exploring stop motion technology to create projects focused on the sustainability.

Summer Exploration

Students will have opportunities to engage in hands-on activities, use technology and participate in outdoor field experiences to support their learning journey. Summer Exploration will actively engage students in a variety of inter-disciplinary, inquiry-based projects.

Summer Fine Arts

Students in our Summer Fine Arts integrated program will work with different teachers on a variety of inquiry-based and hands-on activities in all four areas of the Fine Arts Curriculum: visual arts, dance, drama and music. At the end of their summer learning journey, students will have a chance to showcase their learning through a Celebration of the Arts event, where their families are invited to attend.

Summer Innovation

Summer Innovation will actively engage students in a variety of interdisciplinary, inquiry-based projects, using digital devices, technology, computers and applications.

SUMMER CAMPS - ELEMENTARY

(Fee-Based)

Art Around the World

ages 6-9 / \$350

Get ready for an art adventure! Each day we will journey through the outermost limits of our imagination as we explore art from exotic places around the world. Learn about culture and traditions of distant wonderful lands, and create and discover the beauty in art and in the richness in diversity of our world. Explore with different mediums like papier-mache, mixed media, watercolour, acrylics, and weaving.

Creative Art & Maker Camp *** NEW ***

ages 6-9 / \$350

Calling all makers! Come tinker, explore and create a variety of hands on projects that are both art and maker focused. This camp is for students who enjoy hands-on activities, and creating and playing with a variety of material. Students will create things with clay, engage in felting, textiles (sewing), and perler beads. They will also explore with digital art, music, and storytelling just to list a few examples.

Badminton Plus

ages 9-12 / \$350

Have fun while improving fitness and skills! Students will identify, describe and follow the rules and routines of safety in a gym; identify and discuss the benefits of healthy living while demonstrating a personal functional level of physical fitness. They will also practise motor skills in drills and games; apply basic offensive and defensive strategies; demonstrate etiquette, sportsmanship and fair play. Tournaments, contests and socialization will be a part of this camp. Students MUST bring their own badminton racquets.

Cooking & Baking Basics

ages 9-12 / \$450

Come join us for cooking and baking fun this summer! Learn how to make meals and bake yummy treats for yourself and to share with others! This class will be very hands on and will feature new recipes. Most recipes will be wheat-based. Dress comfortably and for safety reasons, no open-toed shoes. Participants will need to bring a large container to bring their treats home. Supplies are included in the camp fee.

TechArts Camp *** NEW ***

ages 9-12 / \$350

Welcome to TechArts Camp, where creativity meets innovation! This camp is designed for young minds eager to dive into the world of technology and arts. Through hands-on experience with the programming language Scratch, campers will learn to design their own games, bringing their wildest imaginations to life. Scratch is a block programming language targeted primarily at children and beginners. It allows users to create interactive stories, games, and animations using a simple block-based interface. Campers will not only develop computational thinking skills, problem-solving abilities and creativity, they will also discover the fascinating world of robotics and learn how to command and instruct computers with precision and creativity.

Cooking Around the World *** NEW ***

ages 9-12 / \$450

The "Cooking Around the World" camp will take students on a trip around the world with yummy culinary recipes for savoury and sweet dishes. The students will visit the foods of Italy, France, Germany, India, Thailand, Africa, Japan, Korea, Australia, America, Brazil, and more. They will discover a wide range of delicious flavours and ingredients, gain food preparation and clean-up skills, adopt sound food choices and healthy eating habits. Let's have fun in the kitchen!

SECONDARY PROGRAMS

Academic Full Credit

Full Credit courses are rigorous courses, designed for school-age students who wish to earn credits towards graduation, to improve the mark of a previously taken course, or to satisfy post-secondary entrance requirements. Student attendance is crucial. Final grades of successfully completed full credit courses will be reflected on student transcripts.

Enrichment

Students will prepare themselves for the upcoming school year by choosing to preview courses in the areas of Business Ed, English Language Arts, Math, Science, Socials, Jazz Band and Physical Education. These non-credit courses will cover some of the Core Competencies, Big Ideas and Curricular Competencies along with indigenous perspectives and knowledge, through learner-centred and engaging activities. They will NOT cover the entire scope of a full course.

Academic Completion

Academic Completion courses are for Grades 10 and 11 students who received a letter grade "I" (incomplete) or "F", or a course mark between 35%-49%. Courses will focus on key big ideas and competencies and will NOT cover the entire scope of a full course. The maximum grade that a student can achieve upon completion is C-.

Academic Skill Building

Academic Skill Building courses are for Grades 8 and 9 students who are "emerging" or "low developing" on the Proficiency Scale and wish to strengthen their skills. These courses will focus on the understanding of key big ideas and competencies and will NOT cover the entire scope of a full course. Students completing these courses will receive an assessment based on proficiency scales.

Course offerings are subject to sufficient enrolment. Class times and locations are subject to change.
