A message from Ms. Wallace:

Dear Dragon Community,
Thank you so much for all your support over the past three years. I have had the pleasure of being a Dragon parent, as my three children were part of the Dixon Community for 15 years, and then I have been fortunate to be the principal for the past three years. The students and staff at Dixon are a fantastic, connected community that goes forward with kindness and always has a growth mindset when working through problem-solving.

Thank you for being so supportive over the past three years.

With gratitude,
Ms. Wallace

Final Learning Summaries will be published to MyEd by the end of the day on Tuesday, June 25th. Please ensure that you are able to log onto your MyEd Parent Portal by following these instructions. Make sure to download and save your child's reports as they are only available on your portal for a short period of time. As the district moves towards less paper and more digital communication, we will eventually phase out of sending paper copies home so it is extremely important you ensure access to this platform.
