Time To Read Library Books

As we prepare to enter Phase Two of our seismic construction, Mrs. Pedersen is tasked with having to pack up our library, putting the majority of our collection into storage. Not to worry, our library will still be open during construction, just in another, smaller space. To this end, Mrs. Pedersen will be keeping the parts of our collection out that are MOST POPULAR with our students. Most of these books will be novels and graphic novels. Most of our non-fiction section will be put away. If your child has a love for non-fiction, you may want to encourage them to sign these books out of the library now. A HUGE thank you to Mrs. Pedersen for her hard work in making sure our students have books to access during construction.

Richmond School District 38 is excited to welcome Kindergarten registration applications for children born in 2020, turning 5 in 2025. These children will begin Kindergarten in September 2025. Online registration opens on November 1, 2024. Please [visit our website](#) for more information about our online registration process, required documents, important dates, and FAQs.

We encourage families to complete their registration within the Priority 1 registration window, which spans from November 1, 2024 to January 17, 2025, to maximize their chances of securing a spot at their catchment school. All registration applications received any time during the Priority 1 registration period will receive placement decisions by February 7, 2025.

Videos detailing Kindergarten registration have been made available on our District website, providing new parents with guidance on the registration process, English Language Learner (ELL) assessments, and District Program Options (Early French Immersion and Montessori). These videos are available in English and Mandarin. [Please view the videos here.](#)

Finally, there will be a Kindergarten Information Evening for parents of students with disabilities and diverse abilities on Zoom held on November 6th from 6:30 – 7:30pm. [A link to the Zoom is available here.](#)

Reviewing Our Code of Conduct

In an effort to bring all members of our community together, we have been working with our students on knowing and understanding the Richmond School District's Code of Conduct. We will be sending a copy of this home for parents to review as well. Thank you for helping us to keep Dixon a safe and respectful learning environment for everyone.
