Carnival is a winter festival that takes place in Quebec each year in February. At Dixon, we rotate as family teams through a variety of carnival themed activities.

Beginning on February 3, students began eating their recess snacks outside. This enables us to use teaching time more efficiently. We know that some of our students have lovely packed snack kits that they access at recess. We are going to suggest that parents either look at packing something different (handheld options like a piece of fruit, granola bar, etc.) and/or label your child's containers so that if they get set down outside, they can be returned.

A school must also have a PAC to be eligible for certain funding grants.
