Kindergarten Registration Opens Nov.1

Beginning November 1, Richmond residents can use the [online registration form](#) to submit an application for the 2026/27 school year. After completing the registration form, a staff member will contact the parent(s)/legal guardian(s) by phone to discuss the next steps.

The Central Registration Office is open between 8:30 am - 4:30 pm daily.

In addition to registering for kindergarten, families are able to apply for a district program option such as French Immersion or Montessori. For more information on these programs, please visit the [district program options website](#).

Online applications for kindergarten district program options open November 1 and close January 16, 2026. Acceptance or waitlist emails for district program options will be sent to parents by February 6, 2026.

This message has been shared by the Richmond School District. If you have any questions, please contact centralregistration@sd38.bc.ca.
